The health and safety of our people is our number one priority.

We keep a 2 metre distance as much as possible and follow hand washing and other infection and prevention control measures

We take action quickly if we suspect someone is unwell

Our staff know how to recognise the symptoms of Covid-19 and are checking residents twice a day

We are checking staff for symptoms at the beginning of every shift

Our staff know the right PPE to use and how to put it on and take it off safely
