

Keep you and your loved ones safe

We're testing here for COVID-19

COVID-19 can spread easily in the community.

To make sure we are all safe we need to keep testing for COVID-19, even if you don't have symptoms.

We have health workers that will be on site to do testing this week.

Day:

Date:

Time:

We encourage you to be tested.

You can bring whānau – tamariki too – and let's keep COVID-19 out of our community.

Do the Mahi. Beat the Virus.
