

IMPORTANT COVID-19 REMINDERS:

Get a test if you were at a location of interest at the stated times.

Stay home if you're unwell and get tested.

We are asking people living in Auckland to stay at home and follow the Alert Level 3 restrictions.

None of the information you provide for testing, contact tracing or welfare will be used by immigration or any other government agency.

Let's all do what's right for our families and our communities.

Find more information about locations of interest here:
